21	Suggestions, If Any	<p>The college is performing well for students overall development. Add more practical orientated activities College time should be change and it should be in morning. Active participation of the students should be done...by performing various activities like presentations by students should be done Good Respected Sir/ Madam Kindly pls note 1) We don't have PG course, and no proper classroom allotted for the regular classes also. 2) No proper library facilities . 3)No regular magazines,international magazines and other books available other than our course for my professional development and to enhance students knowledge other than course . No new books are made available of Hindi. 4) No research centre available . 5) I wanted to start international magazine and research center of my own , but there is no support from the college, inspite of regular follow ups. 6) I wanted to organise hindi seminar,conference ,kavya sammelan and different religious programs but there is no proper support.</p>				

Discussion of Finding

About Syllabus
