INVITATION

Dear Sir/Madam,

The SES's Smt. H.R.Patel Arts Mahila College Shirpur in collaboration with Kavayitri Bahinabai Chaudhari North Maharashtra, Jalgaon & Physical Education Foundation of India has organized one day National Conference on "Innovative Trends in Physical Education, Sports Sciences and Yoga (ITPESSY 2019)" to be held on 11th January 2019. We are pleased to invite you to register, participate and contribute high quality deliberations and make the event a success.

About Shirpur

Shirpur is a town place in Dhule district towards the northern part of Maharashtra near the borders of Madhya Pradesh and Gujarat. Shirpur tehsil has majority of the population from tribal, rural, socially and economically backward sections of society. The town is on Mumbai-Agar National Highway no.3. It is about 60 kms from the district place, Dhule and is well connected by Highway and railway. The nearest railway stations on the main route are Amalner, Nandurbar (WR), Jalgaon and Chalisgaon (CR) and the airports are Indore and Aurangabad.

Institution at a Glance

The Shirpur Educational Society (Established in 1979) has completed its 39 years of existence in academic excellence. Hon'ble Shri Amrishbhai Patel (MLC & former Minister of School Education and Youth Welfare, Maharashtra), his brother Late Mukeshbhai Patel and Hon'ble Bhupeshbhai Patel have established this prestigious institution along with Rajgopal Bhandari, Prabhakar Chavan and other educationists from Shirpur. The Shirpur Education Society runs 85 branches of primary, secondary and higher educational institutes and imparts education to more than 30000 students. It has degree colleges in the faculties of Arts, Science, Commerce, Management, Social Science, Education, Engineering, and Pharmacy. It has modern infrastructure with huge campuses. The Govt. of Maharashtra recognized it as the best educational institute in 2003.

About College

Smt. Hemantben Rasikal Patel Arts Mahila College is affiliated to Kavayitri Bahinabai Chaudhari North Maharashtra, University Jalgaon. It had got accredited in July 2004 obtaining 'B' grade in the first cycle and re-accredited in March 2015 securing 'A' Grade with CGPA 3.02. The college offers BA, MA and Six Career Oriented Courses. At BA level there are six subject specializations, viz. English, Marathi, Hindi, History, Geography, and Defence and Strategic Studies; while three subjects have PG courses, viz English, Marathi, and History. The College had successfully organized two International conferences (English and Library Science), five National level conferences (Hindi, English, Marathi, Library Science, and Human Rights) and two State level conferences (Defence Studies and History)

About PEFI

Physical Education Foundation of India is one of the apex professional groups of country's top physical education teachers of the country and it has done outstanding work during the last decade for uplifting the profession and also dealt with all kinds of problems of the profession as well as problems of physical education teachers in the country. By dint of hard work the profession of physical education has

achieved many mile stones and it has taken a shape on the lines of professional organizations in other disciplines.

Its head quarter is in Delhi and it has 22 state chapters. It has almost twenty five thousand registered members and the number is gradually increasing. All the top physical educationists (Ex Vice Chancellors, Principals of many colleges of Physical Education, Directors of University Departments of Physical Education, ex-officials of Sports Authority of India, Officers of Association of Universities and a large number of physical education teachers working in schools, colleges and universities all over the country) are associated with this organization in different capacity.

About The Physical Education Department

Physical education department is playing significant role in the personality development of the college students. Every year, the college girl students are participating in intercollegiate, intergroup and university level competitions. The college campus consists of well-maintained handball court, kabaddi court, volleyball court, and kho-kho field.

About the Conference

The present scenario in sports reflecting the neck to neck competition and therefore, each sportsman wants to win the medal at any cost. The sports science includes a number of subjects such as sports psychology, sports biomechanics, sports medicine, and so on, having deep impact on the improvement of sports performance.
